"I had an abscess in my side in the fallopian tube (the fallopian tube is a connection of the ovaries). I suffered untold misery and was so weak I could scarcely get around.
The sharp burning pains low down in my side were terrible. My physician said there was no help for me unless I would go to the hospital and be operated on. I thought before that I would try Lydia E. Pinkham's Vegetable Compound which, fortunately, I did, and it has made me a stout, healthy woman. My advice to all women who suffer with any kind of female trouble is to commence taking Lydia E. ## Constipation Makes Bad Blood. MULL'S GRAPE TONIC CURES CONSTIPATION Constipation is the rotting and decaying of undigested food in the alimentary canal. I sease germs arise from this festering mass, which find their way into the blood. The blood becomes impure and

shortly the entire system gives way to the unhealthy condition.
You cannot cure a case like this by

taking pills or other common cathartics.

A laxative will not do. A blood medicine is ineffective. Mull's Grape Tonic is a gentle and mild laxative in addition to being a blood-making and strength giving tonic which immediately builds up the wasted body and makes rich, red blood that carries its health-giving strength to every tissue at every heart

Mull's Grape Tonic is made of pure crushed fruit juices and is sold under a positive guarantee.

Doctors prescribe it. All druggists sell it at 50 cents a bottle. Send HC to Lightning Medicine Co., Rock, Island, Ill., to cover postage on large sample bottle.

And now he was actually on his way to college! And after college, what? Of course there could be but one thing after, and a warm flush rose to his face and a glad look came into his eyes. He would go back to Neuchatel and up the valley to the chalet overlooking the Bienne. Suzel would be waiting for him, and

When Fritz caught her glance he laughed and blushed, and she actually forced a tiny return smile to her grim lips. The conductor came in and found the young fellow trying to tempt a child with a big red apple, and was obliged to wait until the comedy was over. Then the child lost her ball, and Fritz disturbed the whole car in his eager search after it.

He was taken to the place where was a hard man. The next day Fritz was bundled into a wagon and taken to the town farm.

It was months before he left his bed and began to hobble around. As soon as he was able to work he was set to shelling corn and sorting potatoes. Then it was discovered that he was skillful with his fingers, and his work was changed to making ax-helves and hay rakes and other wooden tools for

farm use. As he grew stronger his work was increased. In the spring he was sent into the fields with the hands. He was not yet able to do a full day's work. If he had been he would have sought employment among the farmers. As it was, he could only wait. One day several new paupers were

brought to the farm. Among them was a little old man who was helpless with rheumatism. He was given a bed near Fritz.
